Dear Sir/Madam,

Re: Reminder of Assignment to HSBC Invoice Finance (UK) Limited

We are writing to inform you that Connexion Developments Ltd has an agreement with us, so all debts arising from the goods and services they provide have been assigned to us.

A notice of this agreement features on Connexion Developments invoices. To discharge your liability, payments relating to these invoices – including the amount overdue – must be sent to HSBC Invoice Finance (UK) Limited.

To pay by BACS or electronic transfer, enter sort code 404725 and account number 41015346, quoting your supplier's name as beneficiary and customer number as the reference. To help us allocate your payment correctly, please also email a remittance advice with your customer number to ra@hsbc.com.

To pay using any other method, please call 01903 825825 to arrange.

Be aware that if you make a payment directly to your supplier (or to any third party) instead of to HSBC Invoice Finance (UK) Limited, you will still be legally liable for the debt it relates to.

If you have any questions about these arrangements, please call us on 01903 825825 to discuss. Yours

Faithfully,

A handwritten signature in dark ink, appearing to be 'A. Piazzalunga'.
