

EU Deforestation Regulation (EUDR) Compliance Policy (Regulation (EU) 2023/1115)

Issue Date: 29 October 2025

Review Date: October 2026

Approved by: Michael G Freye – Director

1. Purpose

This policy outlines Connexion Developments Ltd's commitment to full compliance with **Regulation (EU) 2023/1115 – the EU Deforestation Regulation (EUDR)**, ensuring that no products placed on the market by the company contribute to deforestation or forest degradation.

2. Scope

This policy applies to all products, materials, and suppliers associated with Connexion Developments Ltd.

The company confirms that it **does not import, manufacture, or trade in any commodities or products within the scope of the EUDR**, including:

- Cattle and derived products
- Cocoa
- Coffee
- Oil palm and derived products
- Rubber and derived products
- Soy and derived products
- Wood and derived products

3. Statement of Compliance

Connexion Developments Ltd hereby declares that:

1. No EUDR-regulated commodities or derived products are used within its supply chain or included in products sold to customers.
2. The company maintains a due-diligence and supplier-assurance system under its ISO 9001:2015 and ISO 14001:2015 management frameworks to identify and mitigate any risk of non-compliance.
3. Suppliers are required to provide declarations confirming that goods supplied are free from in-scope EUDR commodities, or to provide appropriate traceability and documentation where relevant.
4. All declarations and supporting records are retained for a minimum of five years and reviewed annually.
5. If any change occurs that may bring a material or product into EUDR scope, Connexion Developments Ltd will update this policy and notify affected customers immediately.

4. Responsibility & Review

The Director is responsible for implementation of this policy and for ensuring compliance through supplier evaluation and internal audits.

This policy shall be reviewed annually or sooner if legislative or operational changes occur.
